

Approved Workmen Are Not Ashamed

- **General Parent Information:**

We are excited about our AWANA clubs at Lake Norman Baptist Church for children age 3 to 5th grade. We are privileged to have your child as part of it! We encourage you to work with your children to help them learn the verses and projects in their handbooks. During your home preparation with your child each week you will help them memorize each Bible verse they are working on so that your child can recite it to a AWANA leader with no more than two helps.

Council Time...includes singing, special music, and a message by a leader.

AWANA Store...Each week we reward your child's various achievements with AWANA shares. At least once per quarter we open up the AWANA store where your child can trade in these shares for prizes.

- **How To Help Your Clubber**

Week by week, your children will grow spiritually as they learn Bible verses. Experience shows that encouragement from a parent will make a big difference in the spiritual growth of your children. Please set aside time each week to help your children study their workbooks. Each handbook describes how you progress through the book and the rewards they will receive.

- Handbook achievement - Clubbers need to bring their handbook each week. Please encourage your clubber by listening to your clubber practice their sections at home. The Cubbies work together and learn the same verse each week, however the other clubbers go at there on pace (some say one section each night while others may say many sections). However, the ultimate goal is for them to understand the verse and put it to memory. There is no time during club to memorize verses so please have them prepared prior to club.
- Attendance - to accomplish the year's objectives and complete the handbook, your clubber must consistently attend club.
- Discipline - We believe you want your children to act respectfully in the Lord's house. There is time for fun and games and a time for quiet. We ask parents to encourage their children to cooperate.
